## **ELIGIBILITY CONDITIONS AND REOUIREMENTS**

Procedures for Scheduling and Conduct of Standard Surveys

The State has in effect the following procedures for the scheduling and conduct of

standard surveys to assure that it has taken all reasonable steps to avoid giving notice.

In addition to federal procedures, the Division of Licensing and Regulation is prohibited by state law from giving any advance notice of long-term care facility surveys. Surveys to be conducted in a given month are sent to our regional offices. Schedulers in regional offices do not release schedules to staff until approximately one

week prior to survey. Master schedules in regional offices are closely guarded.

Kentucky uses a flexible survey schedule where some facilities are surveyed in ranges of 9 to 15 months. Survey schedules are also based on performance in previous surveys and the number of complaints made against a facility.
